

QUEEN OF HEARTS

The 8th annual Queen of Hearts drawing at the Russia Homecoming Festival is set for the evening of Friday, September 4th! This evening has been a huge success in providing entertainment as well as raising funds for our St. Remy Parish. In the past, the funds raised by selling tickets have created a pot that was paid out (75% to winner/25% to the parish) upon the pulling of the queen of hearts card. The event has been made even more exciting by having cash payouts for aces and face cards as well. Last year, we paid out \$500 per ace, \$250 per king, \$100 for remaining queens, and \$50 per jack for a total of \$3500.

We would like to ask you to consider a monetary donation to help defray this cost from the parish. At the event, the donors will be acknowledged on a sponsor board to show our appreciation. In the event that we do not raise the full amount, the payout amounts will be adjusted according to the donations. In the event that we raise more than the full amount, the remainder will go into the queen of hearts pot.

Donations can be sent to Chelsea Hoying at 4901 Russia Rd. Russia, OH 45363, and checks can be made out to the Russia Homecoming Festival. For your name to appear on the sponsor board, we ask that donations be received by August 3rd. Any donation that you are willing to give is greatly appreciated!

Thank you for your support of this event and of the Russia Homecoming Festival!

Sincerely,

The Russia Homecoming Committee
